

We've Moved! Viking SupplyNet announces new address for New York City location

To better serve fire sprinkler contractors throughout the New York City region, Viking SupplyNet will move to a new distribution facility effective October 5, 2018. Phone, fax, and email information will not change.

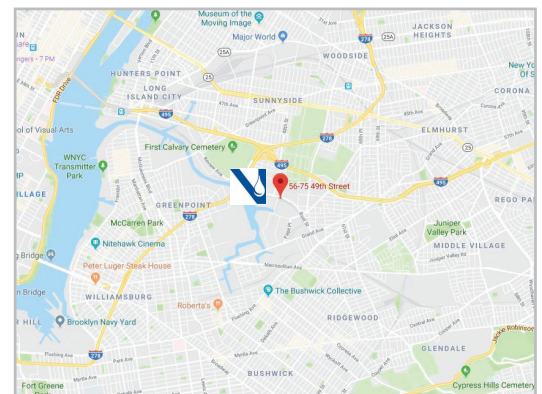

The newly remodeled facility is designed to provide customers with fast, convenient, and dependable service for years to come. Built to support Viking SupplyNet's growth, the New York City location will continue to offer the industry's most comprehensive range of products and services, and is your connection to seamless, complete solutions for any fire protection challenge.

Dedicated to exclusively serving fire sprinkler contractors.

Viking SupplyNet offers six locations in the East region, and 32 locations across North America. Our mission is to provide the broadest selection of quality fire protection products and services, operational excellence, and outstanding customer support. Use our online sourcing tool, VSN eSource, to view pricing, place orders, and create submittals. Visit www.vikinggroupinc.com for product information, technical data, training information, and more.
